EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to an applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The following changes have been made in a subject of the application to place the claims in a condition for allowance:

Specification

The following paragraph has been added as the first paragraph in the specification after the title:

-- Notice: More than one reissue application has been filed for the reissue of Patent No. 6,196,670. The reissue applications are application serial numbers 09/996,986 (the present application) and 11/056,608--.

The above change was made to place the application in better condition for allowance.

REASONS FOR ALLOWANCE

The following is an Examiner's Statement of Reasons for Allowance:

Claims 1-61 are allowed because the prior art of record does not suggest:

- “an information writing unit that writes specification information into said rewritable storage device of the printer main body more frequently than the memory writing unit writes information into said non-volatile memory of said cartridge, the specified information being identical with the at least part of the plural pieces of information relating to said cartridge” as combined in claims 1 and 32.

Art Unit: 2861

- "information relating to the cartridge is written into the non-volatile memory of the cartridge less frequently than the information relating to the cartridge is written into a storage device incorporated in a printer main body, and wherein the information is written into said non-volatile memory is response to a power down instructions occurred in the printer main body" as combined in claims 19 and 49.

CONCLUSION

Any comments considered necessarily by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably accompany the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
